PATTERN

LOGO APPLICATION: CORRECT VS INCORRECT

CORRECT

For optimal contrast, use Ivory Orange as the text color on backgrounds that are Burnt Orange, Mahogany Brown, or Ebony Green. Conversely, when using Ivory Orange as the background, pair it with Mahogany Brown text.

LOGO APPLICATION: CORRECT VS INCORRECT

INCORRECT

Do not pair Burnt Orange, Mahogany Brown, or Ebony Green with any text color other than Ivory Orange. Likewise, do not use any text color other than Mahogany Brown for a Ivory Orange background.

INCORRECT LOGO ADJUSTMENTS

Do not place the logo in a container

Do not rotate or tilt the logo design.

Do not stretch or squish the design.

Do not re-size the mushroom graphic on the main logo.

When using the alternate logo, do not add the separate mushroom graphic over it. This can lead to poor spacing, misalignment, or sizing issues. If the full logo is needed, please use the complete version as provided.
